## Special Summer Camp Program

### BUILD YOUR OWN COMPUTER! (ages 10 - 18)

**AFTERNOONS 1:00 - 4:00pm**

Learn how to build a fully functioning PC and take it home after camp is over!

- Explore the inner workings of a desktop PC! Understand how each part works, connects to the system, and influences overall performance. Troubleshoot. Build *your own* working PC and take it home!
- PCs include CASE, POWER SUPPLY, MOTHER BOARD, DISK DRIVES, VIDEO CARD (mid and up PCs), KEYBOARD, MOUSE, and your choice of Windows 11\*\*, Windows 10\*\* or Ubuntu Linux.
- Campers will use camp-supplied monitors and speakers for the week. (You'll need to supply your own PC monitor display and speakers or headphones after camp is over to use the PC.)
- Campers selecting the Practice PC option work with camp-supplied parts. Computers will be disassembled at the end of the camp week. Practice PC option may also be selected for campers wishing to build their own computer first week and then attend for additional weeks without building a second computer to take home. Or for a friend or sibling who wants to assist the computer-building camper. Available only during weeks when other campers are building take-home computers.

Choose from four levels of PC hardware we've selected, or with the option to supply your own parts\*.

- ☐ Option 1 \$845 **Basic Computer**      ☐ Option 3 \$2295 **High-Performance Gaming PC**  
☐ Option 2 \$1195 **Mid-Range Computer**      ☐ Option 4 \$3495 **Ultimate Gaming PC (2080 card)**

Options that do **not** include a take-home computer:

- ☐ Option 5 \$395 **Bring Your Own Parts\***      ☐ Option 6 \$295 **Practice PC (attend camp only)**

\*Includes consulting to approve your parts list and ensure compatibility analysis at least one week before camp begins.
